Suzuki Samurai Weber Conversion

\$425.00

This is the Redline Weber 32/36 DGEV Conversion for the Suzuki Samurai with the 1.3 Motor. May fit other motors, with the 1.3 Intake Manifold. We **modify this kit further with the installation of a smaller main jet, and we also replace the top cover gasket, with the proper unit for the DGEV carburetor.** You are buying value added product when you buy from Weberjets.com

This conversion comes with carburetor, thick adapter plate, washable filter and linkage and Redline's instruction
